this may be the most unique guitar hymnal that you ll come across each hymn has

been formatted to fit on one page in such a way that you can see all of the lyrics and the chords at the same time this means that you can sing along for the entire song and not just for the first verse as many chord books are fashioned each hymn is formatted with extra spaces to show where chord switching should occur these chord progressions have been personally created other than the hymns themselves which are all in the public domain this book is not a compilation of someone else's work but rather the result of many hours of trial and error the chords used are well known and basic for the most part the playing level is beginner to intermediate you'll find some very easy arrangements as well as some that are a bit more challenging we hope that this will be a blessing to you and your church or youth group we give all glory honor and praise to our lord and savior jesus christ who blessed us with the ability to be able to put this together blessings to you

how to play hymns and gospel songs in evangelistic styles is presented in three sections the first section presents how to play hymns in basic chorale style the second section presents how to play hymns in full chorale and accompaniment styles the third section is a collection of well loved standard gospel hymns already arranged for you using the three styles taught in sections one and two how to play hymns and gospel songs in evangelistic styles is not for the beginner for the beginner there are books in the david carr glover sacred music library primer and levels i vi

this book is the second in a series of three hymnals intended to cover the needs of the church through the whole range of its public worship the first the hymnal was prepared as a complete manual of praise covering especially the sunday services but including also every side of church worship and work the second the chapel hymnal is prepared for those who prefer a smaller book for use in prayer meetings young people's societies and other social services and the last of the series is to cover the services of the sabbath school the chapel hymnal consists principally of those hymns in the hymnal which are best adapted for use in devotional meetings and of such tunes as can be used to good advantage on such occasions and ordinarily the association of hymn and tune has been retained in addition there have been included in this book some standard hymns and tunes reserved for this use when the hymnal was prepared together with some fresh selections of a popular character and a

number of the more desirable gospel hymns the pages of the book are so arranged as to provide a choice of tunes in the case of a large number of the hymns it is the usage of many of our churches to sing the amen at the close of each hymn and the proper chords are provided for any who may wish to use them preface
